HPS Home Maintenance Solution

At High Power Signature (HPS), we understand that your home is more than just a space—it is where you relax, spend time with your family, and build your life.

Unexpected breakdowns, maintenance issues, or repair needs can disrupt your comfort and peace of mind. That's why we provide a complete, reliable, and always-available home maintenance solution designed to take the stress off your shoulders.

From air conditioning failures in peak summer to plumbing issues, electrical faults, or general wear and tear—our expert team is ready to respond quickly with the right tools and skills to fix it right the first time.

We ensure your home remains functional, safe, and comfortable at all times.

Our Service Approach

01 On-Call Home Services

Whenever something goes wrong at home, our team is just one call away. We provide quick-response maintenance and repair services for all types of home systems and issues, ensuring minimal disruption to your daily life.

02 Annual Maintenance Contracts (AMC)

Our AMC packages are designed to keep your home in top condition all year round through regular inspections, maintenance, and priority emergency support.

Our Home Services

1. General Maintenance Work

Electrical Systems maintenance

Safe and reliable electrical maintenance, repairs, and preventive servicing to ensure uninterrupted power and system efficiency.

AC Servicing & Installation

Complete AC servicing, repairs, and installation to ensure efficient cooling and year-round indoor comfort.

Networking & Wi-Fi Solutions

Reliable network setup and Wi-Fi solutions for seamless connectivity across your home.

Access Control & Gate Barrier Systems

Secure entry solutions for controlled and safe access to your property.

CCTV Installation & Maintenance

Installation and maintenance of CCTV systems to ensure security and safety.

Water Treatment & Softener Systems

Improves water quality by removing impurities and hardness for safe and efficient use.

Plumbing Repairs & Upgrades

Fast and effective plumbing solutions including leak repairs, pipe fixes, and system upgrades for smooth water flow and drainage.

Villa Automation & Lighting Control Systems

Smart automation solutions for convenient control of lighting and home systems.

Fire Alarm & Fire Fighting Systems

Installation and maintenance of fire safety systems for maximum protection.

Elevator Maintenance

Routine inspection and servicing to ensure safe and smooth elevator operation.

Thermography Services

Advanced thermal inspection to detect hidden faults, leaks, and electrical issues.

Waterproofing Solutions

Protects structures from water damage, leakage, and moisture issues.

2. Cleaning Services

Deep Cleaning Services

Thorough cleaning that removes deep-seated dirt, germs, and buildup—leaving your home fresh, hygienic, and spotless.

Water Tank Cleaning

Deep cleaning and disinfection for underground and overhead tanks to ensure safe, hygienic water supply.

AC Duct Cleaning

Removes dust and allergens for cleaner air, better airflow, and a healthier indoor environment.

Swimming Pool Maintenance

Professional cleaning and care to keep your pool clean, safe, and well-maintained.

Window & Façade Cleaning

Professional external cleaning solutions ensuring a spotless and well-maintained exterior appearance of your home.

Pest Control Services

Safe and effective pest management solutions protecting your home from insects, rodents, and infestations.

General Cleaning

Routine cleaning to keep your home neat, fresh, and well-maintained every day.

Specialised Cleaning

Tailored services such as carpet cleaning, upholstery cleaning, floor polishing and curtain cleaning.
